

Sanford Concert Series

September 30, 2012

Please take a moment and consider how much concerts mean to you and to our community. Join with us in supporting this wonderful tradition and keeping it alive and vital. We've enclosed a flyer with information that will make it easy for you to donate, place on your community billboard and to interest your friends.

Our History: Years ago Col. Henry Sanford a very generous music lover and organist donated to St. Andrew's Episcopal Church a Rodgers organ. However with the donation came a stipulation, a commitment to share with the wider community the beauty of music. And the rest is history; the Sanford Concerts were born.

The last thirteen years of concerts have brought not only music but so much more; fun and friendships, much laughter, perhaps a few tears, and shared moments of great beauty.

These concerts have become a tradition. Something we take for granted, but would miss very much indeed should they not be here. This is your opportunity to become a part of the tradition, to help it continue and grow by becoming a sponsor. Enclosed below are the levels of sponsorship both for businesses and individuals so as to be included in our playbill.
